NW Children's Theater Turns 20 With an Adventurous Four-Show Season and a Re-Designed Mainstage!

For its 20th birthday, NWCT's invites Portland to take flight on an adventure through the imaginations of Roald Dahl, J.M. Barrie and Dr. Seuss. Building on two decades of award-winning contemporary favorites, vintage classics and brand-new adaptations, NWCT leaps into the future with a redesigned mainstage and their 2012-13, 20th Anniversary Season of Plays!

*Roald Dahl's
The BFG
(Big Friendly Giant)*

Adapted for the stage by David Wood

It's the "witching hour" and Sophie has been whisked away by the world's only "nice and jumbly giant", the BFG! It's off to Giant Country, land of the "humplecrimps," "froboscottle" and the "uckyslush Snozzcumbers." Together, they must save the children of England from much bigger less-friendly giants.
